

The 2024 Hero Home

Hubble Homes is proud to continue our tradition of building a home to benefit various Treasure Valley non-profit organizations. This year, Hubble Homes will build one of our single story floorplans, the Emerald, at Greendale Grove in Star. The Emerald is a true gem featuring 4 bedrooms, 3 bathrooms and 2,433 square feet of living space. From the spacious open kitchen with a breakfast nook and center island to the large great room, this home has it all. The quietly tucked away primary suite features a private bath with soaker tub and full tile shower and a spacious walk-in closet.

Construction

Construction is expected to start in February of 2024, and is expected to finish in summer of 2024.

The Community

Greendale Grove is a charming community located in Star, offering a small-town feel, and quieter and more relaxed lifestyle with the convenience of being close to Boise.

The Trade Partners

Hubble Homes, their trade vendors, and subcontractors will graciously donate land, labor, and materials to build the Hero Home.

The Charities

All proceeds from the sale of the home will be donated to this year's Treasure Valley charities: Idaho Food Bank, Idaho Veteran Chamber of Commerce, Operation Grateful Hearts, Star Outreach, and West Valley Humane Society.
